NOW AT KIDS R KIDS!

The original sports skills and fitness program! We teach the fundamentals of sports in a fun, non-competitive, high energy environment. We lay the foundation for health and fitness for years to come! Our program teaches Baseball, Basketball, Football, Soccer, Tennis, Golf, and Teamwork.

Firefly, Yoga for kids! Firefly improves children's listening and relaxation skills, while focusing on strength, balance, and coordination. Through our custom curriculum, your yogi will learn age appropriate mat poses and movement to music.

Everyone likes to tumble! Our custom curriculum is designed specifically for young children. Our experienced gymnastics coaches teach the fundamentals of tumbling including jumps and rolls all in a safe and fun way. Each class brings a new and exciting lesson that focuses on tumbling and fitness in a high energy way that kids love!

Spark Cheer teaches your athlete the essential cheerleading skills. Designed for children ages 3-9, this skills based cheer program teaches the fundamentals of cheer including the basic moves, proper hand and body movements and safe jumping techniques, while children learn to assert themselves and be confident.

Kids R Kids has agreed to cover HALF the regular cost of all FunPack activities in your school!
